

Böttcherin Orange

Blanket Cleaner

Washing agent for cleaning printing blankets and printing plates. It is suitable for both manual cleaning and for use in automatic washing units pre 1995.

Application

- based on aliphatic hydrocarbons
- flash point > 40 °C
- non water miscible, free of aromatics
- medium evaporation and good cleaning power
- low odour
- may be used in sheet-fed offset printing in automatic blanket washing units pre 1995

Features

Böttcherin Orange should be applied to a cleaning rag and then wiped intensively over the blanket surface. This procedure should be repeated as necessary.

Note

Wear protective gloves and approved personal eye protection during application.

- 20 litre can
- 200 litre drum

Package

Böttcherin Orange is classified and marked in accordance with EC - Directive 1999/45/EC - in its latest version.
